# Letter from the Directors

Dear Spring Quest Participants,

Welcome to Carolina Spirit Quest's Spring Quest 2000.

What a bright and colorful cloth we weave when we nurture our individual threads and contribute them to the whole. Our theme for Carolina Spirit Quest, Spring 2000 is **"Magical Tapestry - Weaving Our Individual Threads."**

It was a near thing! Too much water during and after Hurricane Floyd left Shelter Neck, our Spring Quest home for the past four years, out of commission for 2000, and our weekend with no site in sight. Fortunately, we found Millstone 4-H Camp. We think that This will be the best Carolina Spirit Quest yet.

Out of the struggles of the last year — losing our site twice, once to conflict and once to nature and losing our directors to personal circumstances — we needed an uplifting expression of our purpose — to foster networking among Pagans in the Carolinas. We felt a need to remember and re-emphasize the value of weaving together our multicolored experiences and ideals. We wanted to honor our uniqueness, our alike-ness, and to celebrate both. Thus our theme of Magical Tapestry.

And so it is with special joy that we welcome you to Spring Quest 2000 and to Camp Millstone. We are happy to be here with you in this beautiful space. Enjoy weaving the tapestry as well as spinning the individual threads.

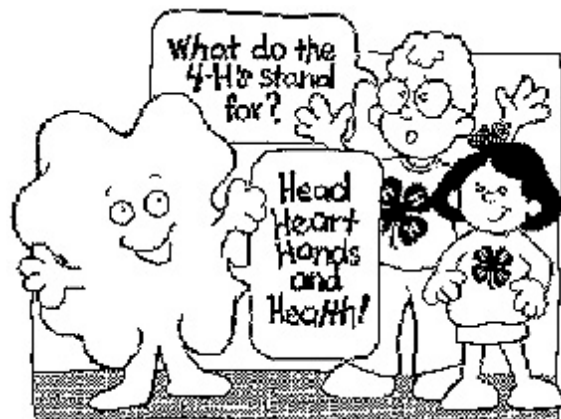

Welcome to Spring Quest 2000.

Bright blessings,  
Brydie and Dick

## Description of Millstone 4-H Camp

Millstone 4-H Camp near Ellerbe in Richmond County North Carolina is state owned. It operates through the Department of 4- H Youth Development with the North Carolina Cooperative Extension service. It is rustic and remote and is located in State Game Lands.

Maximum capacity is 169 beds. There are 14 cabins with bunk beds for 11 people in each cabin. Each group of seven cabins has a bathhouse (one group for boys, one for girls). The baathrooms have private toilet stalls and showers. There is also a staff house that can handle up to 15 people. No heat in any building except the staff house. Tent camping is available, but at no financial advantage.

A commercial kitchen used for preparing meals for 150 kids at a time in the summer is available for our use. We also can use the pots and utensils, but there is no dishwasher. There is a nice

*(Continued on page 5)*

*(Continued from page 4)*

large fireplace at one end of the large mess hall.

Break out space is at a premium. There are two picnic type shelters (open sides), the mess hall and a large recreation hall. This would give us space for six workshops. Small groups can meet in the cabins.

There are two fire circles: one near the mess hall and one way out in the woods. Both will be usable until late at night. The remote one is ideally suited for a sweat lodge and other private activities. Drumming can go on until midnight. If it does not disturb the resident manager, only the squirrels care. There are also a couple of horse training rings where fires could be built. Fires will not be permitted elsewhere.

There is a large flat ball field ideal for a ritual of 500. A ritual of 150 would fit in the Recreation Hall quite easily.

There is a large pond with dock and canoes. Swimming and canoeing can be made available to us. We would have to provide a certified lifeguard for any use of the pond.

Neither alcohol nor drugs is permitted.

# Spring Spirit Quest 2000 - Programs

This year's Carolina Spirit Quest Programs will be the best yet! We have incredibly gifted and dedicated Coordinators, various fascinating Workshops, meaningful and well planned Rituals, creative and fun Children's programs, involving Keynote Event and, for the first time, a Masquerade Social! There is so much planned for participants that it will be impossible to do it all! So make your choices carefully, beginning with the decision to attend. Then look over the Workshop descriptions--if there is a limit on one you would like to take, be sure to sign up for it and send in your registration early so you can get a spot! I am having a ball as Programs Coordinator, working with such awesome people, developing a weekend that you will remember and cherish for years to come!

Gryphon Rosemead  
Programs Coordinator

## Keynote Event

This year's Keynote event is not to be missed. It is "Weaving ourselves into the tapestry." Through drama and discovery the Grey Mountain Coven will guide you through the hits and misses of maintaining a successful pagan group. A journey through the elements and the trials they bring will address such topics as leadership, ethics, problem solving and group dynamics. The focus is weaving ourselves into a community through respect. Our journey will end with the element of spirit combined with the greater community at CSQ. We will explore ways to combine these two entities. Don't be left out of this life changing event.

## The Cosmic Kid's Workshop – Our Children's Program

Three days of fun, education, Spirituality and more fun with hands on crafts such as: weaving dream catchers, salt dough sculpting, constructing and understanding altars, and baking sacred cookies to be shared with our community. We'll have Spiritual walks in the Forest with emphasis on Loving and respecting the Earth Mother; we'll also go in search of our sacred stones.

There will be Workshops on:

- Goddess Tradition: Explanations for children.
- Handing down our Traditions.
- Earth, Air, Fire, Water, Spirit.

We may even have a scavenger hunt!

My request is that the children be of ages five and up, teens most welcome! And I ask only that your children bring a good-sized cloth grocery bag for carrying home all their goodies and some eager and loving parental volunteers.

For further information, e-mail Ginger at: [Gingrain@aol.com](mailto:Gingrain@aol.com).

See ya there!

Thanks and Brightest Blessings,  
Ginger Rain

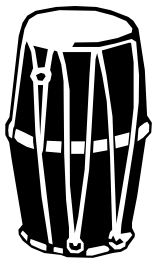

*(Continued from page 6)*

## **Masquerade Social**

For those who want to meet others, enjoy dancing and good pagan music, join us for the 1st annual Masquerade Social. Wear a costume, paint your face or wear a mask that personifies you and your path. There will be a few masks available, but if you want to be *you*, bring your own. We will weave our individual personas and join them together in unity. There will be games, music and contests.

## **Drumming Circles**

Drums are important links for modern Pagans to their past and to the many other pagan groups around the world. The basic rhythms created by drumming connect us to nature and to the deeper aspects of ourselves, and it is a lot of fun, too! Drumming circles will be held on Friday and Saturday nights between the end of the other scheduled activities and midnight (sorry we can't go later, the Resident Manager's family needs to be able to sleep.) If you like to drum or dance to the sounds of drumming, come prepared for those activities. Bring your drum, your bongos, whatever you use to create a beat. Or, if you don't drum, the rhythm is sure to pull you into a dance. Many of the participants indicated that the drumming circles were among the best things about previous Spirit Quests.

## **Bards' Circle & Other Events**

Other informal events will occur. Check the schedule board in the Dining Hall for the latest information. If you come up with an activity to share, put it on the schedule board so others will know. One event, a bards' circle, is planned for Saturday night. The purpose of a Bards' Circle is to share stories, songs, ballads, boasts, promises, favorite gods/goddesses, etc. with the other participants.

## **Gift Tree**

Right after lunch on Sunday we will be celebrating our community spirit with a gift tree. The idea is simple. Each person who wishes to participate will hang a small gift on the tree to go to some other member of the community. It is particularly fitting if the gift suggests this year's Quest theme, Magical Tapestry. After lunch and just before the closing ritual, each person who put up a gift will remove a different gift from the tree.

Suitable gifts could include any small magical item that has meaning to the giver, including special stones, handmade bags or pouches, magical tools, talismans, small musical instruments like pan pipes or flutes, cookies, etc. The possibilities are limited only by the imaginations of the givers. Such gifts are especially powerful if they have been handmade by the participants. A note can be included with the gift about its properties, and if you wish, including the name of the person who put the gift on the tree. Paper bags and yarn will be provided for hanging your gift on the tree.

*(Continued on page 8)*

# Rituals

## **Opening Ritual: Friday, April 14, 8:00 PM**

The opening ritual will help us transition from the mundane world to the safety of magickal community. We will create sacred space, inviting in the directional forces and the Goddess & God. Our focus will be on shedding the concerns of the everyday, and weaving the warp and weft of openness and trust with our threads of individuality into the tapestry of the Circle. Fancy ritual garb welcome (Masquerade Ball to follow), and bring your drums and rattles! Opening ritual will be about 1 hour long, and will be facilitated by Luna Mountainsea & Ace.

## **Sunrise Self-Guided Meditation Saturday, April 15, Sunrise**

CSQ's staff will select a beautiful outdoor space for self-guided sunrise meditation.

## **Main Ritual: Saturday, April 15, 7:30 PM**

We have created a safe place to be ourselves, to form community. Now we weave our own unique expressions into a larger whole, the whole of community. This is the longest ritual, taking 2- 2 1/2 hours. Be ready for some surprises!

## **Closing Ritual: Sunday, April 16, 12:00 Noon**

We have created safe and sacred space. We have joined our energies and our unique qualities into a Magickal Tapestry. Now we will honor ourselves, each other and the community that we have formed. We will prepare to go on our individual journeys, taking with us memories of the Tapestry that we created together. This ritual will last about 1 hour, and will be facilitated by Tammie Ward.

# Miscellaneous Information

## Lodging

Camp Millstone has 14 cabins, roughly divided into two groups, with a bathhouse at each group. The cabins have built in bunks (not moveable) with mattresses. The mattresses are on top of plywood, so they are firm. There are eight bunks inside each cabin, and three bunks on the screened in porch of each cabin. We will ask you to choose your cabin by single gender, segregated, or couples. Everything else you need for your comfort you must provide: pillows, sheets, blankets or sleeping bag. There is no heat in the cabins, wash-rooms, or recreation hall. Come prepared for the changeable April weather

Tent camping will be permitted for those who desire the privacy. Since our costs are the same either way, no discount is given for tenting. We can not park automobiles next to either the cabins or tents.

## Food

Omnivorous and vegetarian meals will be provided from Friday evening through Sunday noon. Participants with special dietary needs should indicate them in the space provided for special needs on the registration form.

## Parking

Parking is allowed only in designated areas. We will not be able to drive to the cabins for unloading. We will gather a few strong volunteers with carts or wheelbarrows to help you schlep your gear to your cabin. Keep in mind, as you plan, that what goes to the cabin must come back from the cabin. You might leave some gear in your vehicle.

## Vending

We welcome vendors to CSQ! If you would like to sell your own goods or services, please fill out the appropriate additional areas on the registration form. *(Please note that you must also be registered to attend CSQ.)* You must also contact Tim Woody at (919) 732-4190 or e-mail him at timwoody@webtv.net to let him know that you intend to vend and what types of items you plan to sell. Spaces are \$5 for an 8' x 8' spot. Spaces will be available both inside or outside. They will be assigned in the order that payment is received. In addition, we require 5% of your total sales at checkout time. For more information or special needs, please contact Tim Woody.

## Obligatory Work Shift Opportunity

Each person attending Spirit Quest is required to sign up for at least one two-hour work shift. It is necessary that everyone take part in this shared labor for the gathering to function pleasantly for all participants (including the staff, who have been working for months). Please sign up for a job at the Check-In when you arrive. Work shifts are available on a first come, first choice basis. There are ample spots for larks and owls. Please be at your work station on time.

## Site Cleanup

It is very important that we return the Site to the condition it was in before we arrived for Spirit Quest. The Staff consists of volunteers, who also pay to attend the event. In order to encourage all of the participants to help in this last community effort, we require that all registrants include a

*(Continued on page 16)*

separate \$10 check as a refundable deposit for site cleanup. This check will be returned at 4:00 PM on Sunday to all participants who have helped clean the site. Those who do not wish to participate in the cleanup will donate their checks to the start-up costs of CSQ '01. Checks that are not returned WILL be cashed. If you absolutely must leave before 4:00 PM, please make separate cleanup arrangements to allow your check to be returned to you.

## In An Emergency

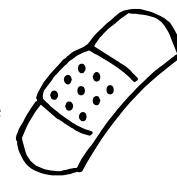

In case of any emergency onsite, please contact Security. We expect to have personnel trained in emergency medicine available on site

The Resident Manager's personal phone number is (910) 652-5905 or 652-6388. It can be used only in the most dire situations. If you must be in touch with office or sweetheart, bring your satellite phone.

## Health Care

We want everyone to have a healthy Spirit Quest. You are responsible for your medications (if any), and your own health. If you have any conditions that might require immediate attention, inform the staff when you register. If an emergency should arise please let the staff know immediately.

## Safety

No one can guarantee your safety. Read and honor the rules created for your own protection. We want everyone to have a safe Spirit Quest. There will be NO flame or fire of any kind in the cabins, this means no incense, candles, or smoking. *There is no smoking allowed inside any camp structure.*

## What to Bring

- A sense of humor and good will.
- Sleeping bag or bedding that will keep you warm in temperatures that may approach freezing. Pillows and extra blankets as you may need for your comfort.

Please bring found items to Registration and seek lost ones there as soon as possible.

## Quest Flyer

The Carolina Spirit Quest 2000 flyer in Portable Document Format (PDF) is available for download from the CSQ web site. It will help CSQ if you will post or distribute this flyer where Pagans and other Earth-centered religionists will see it. A version of the flyer with a colored logo is also available there. It requires the free Adobe Acrobat Reader to view and print it. If you need Adobe Acrobat Reader, there is a link to Adobe's site.

A larger version of the colored Quest 2000 logo is available for download (670 x 634 pixels).
